## MÂCON-VILLAGES

**Grape variety:** Chardonnay.

**Vineyard:** The vines are located between the plain of Saône and the hills of the Mâconnais with West to East exposure.

**Soils:** Clay-limestone soils, typical of Burgundy and allow the vines to flourish beautifully.

**Yield:** 68 hl/hectare.

**Vinification:** The juice is extracted slowly at low pressure by pneumatic pressing to preserve the integrity of the fruit. Filtering at the end of the process ensures the wine is as clear and bright as possible. Aging in temperature-controlled stainless steel tank allows the wine to keep all of its freshness.

**Tasting notes:** A clear and bright wine with aromas of white flowers, citrus and yellow fruit, smooth and full in the mouth. Typical of its appellation, this white Mâcon-Villages is nicely balanced with real harmony.

**Food pairing:** Equally expressive before as with a meal and has a fondness for chicken, deep fried food, warm goat's cheese salad.

**Serving temperature:** Serve between 11 and 13°C.

**% alc./vol :** 12,5% vol.
